## MultiCoach Camp Guide

Thank you for choosing MultiCoach Camps for this school holiday. Our mission is to provide a fun and diverse camp experience, where children explore a wide range of activities.

### Sign-In + Collection

Each camp location has a designated sign in desk. The camp leader will tick you off on our electronic register and check any contact details and ask a few questions. Your child will then be shown where to put their belongings and be ready to start the daily activities. Drop off is from 9:30am (We offer early drop-off at 8:30 for +£5 which can be paid on arrival)

You will be added into a group WhatsApp where the Camp Leader will keep you informed of our daily activities and provide updates throughout the day.

On collection, you will need to return to the sign in location where your child will be dismissed to you.

**Your child will need to bring:**

- Packed Lunch – We do not have fridges so please put in an ice pack if needed.
- Refillable drink bottle – we have filling stations on site.
- Warm and waterproof clothing
- Sensible footwear for outdoor games – some camps will also spend time in the forest.
- Scooter (optional)

**Your child will not need:**

- Sports Equipment
- Phones or electronic devices
- We are a nut-free camp
- Money

## Common Questions

### **My child has a medical condition, what do I need to do?**

When signing your child up for camp please add these to the booking notes. You **MUST** also inform a member of staff about any medication so our team can take care of your child.

### **What happens if my child has an accident?**

Each camp will have a qualified First Aider who will deal with all medical and accidents. The incident will be recorded in our reporting books and you will be informed of the accident on pick up.

If a phone call needs to be made, the first-aider will contact the number on the register to discuss the incident in more detail.

### **What activities will my child do?**

Your child will take part in a range of activities as no day is the same at camp and there is always something new to do! Including archery, tennis, nerf, forest, football and so much more. We pride ourselves on child-led exploration and we always offer the children a choice of different activities they can choose from.

### **My child is ill, what happens?**

Please let us know as far in advance of any illness or injury. You can contact us on 07769033144. In this case we will be able to transfer your camp to another day. Refunds can only be given if there is 48 hours notice.
